Fill in the conversation with the brain expressions in the video.

- Dracula** Hello everyone. Thank you for coming. I have asked you to join me in today's meeting to discuss ideas for Halloween night. I want all of us together to [ ] on this right now and come up with the best plan of action to retaliate against the villagers.
- Ghost** Well, Dracula, That's a [ ]. We should of course creep inside their candy bags and when they are about to take one out, we jump out! Booooooo!
- Mr Wolf** We have done that before. It's a bit overrated anyways. I mean, they are expecting it. I don't think it will impress anyone. We need to hit them hard this time!
- Dracula** How about we ask the Witch? I am sure if we [ ] (her) she can come up with a few good spells. Hey Frankenstein, why are you staying in the corner over there? It there [ ] (your) ?
- Frankenstein** Well...I just can't [ ] (my) why you hate the village.
- Dracula** Really? Again with that? We have told you, they are bad. They attacked us! I mean look at Mr Wolf. He tried to be nice with others and see where it got him? He kindly agreed to rent out his hut to 3 little piglets and when he came to collect the rent they had changed the locks. They even tried to cook him after. And that's just one example. They deserve what is coming!
- Werewolf** Yes Boss!
- Frankenstein** But I think they are just confused...maybe if we talked to them...
- Ghost** For Hell's sake, he is completely [ ]. I don't know how they did it but they got to him.
- Dracula** They probably [ ] (his) , literally, when he was their captive. Well this is exactly why we need to come up with something good. Does anybody have another suggestion?
- Ghost** We would definitely have more [ ] if we had let the Hulk in on our group.
- Dracula** We need BRAIN power, I insist on the brain.
- Ghost** Is this going to end up like last year again then? Passing out expired candy and throwing toilet paper on a few houses? I didn't join this group for that.
- Dracula** Gosh all your complaining has left me [ ]. My head hurts. You really want to take it up a notch this time? I think I've got it. Gather round.
- Frankenstein** Oh that sounds like a good one.
- Dracula** (whispering) How about this year we pass out...chocolate coins! They'll be so excited when they think they received money and when they get home and see it is chocolate they'll be devastated! Mouahahahahahah!
- (Silence)
- Ghost** Dracula! Are you serious? This is a worst plan a villain has ever come up with in the history of villains!
